SUBJECT: BOLIVIA SUGAR QUOTA

REF: STATE 106302

In response to the referenced action request, ECONOFF met with Humberto Zambrana, Director General de Exportaciones, and Cecilia Cabrera, Jefe de la Unidad de Regulacion de las Exportaciones, in the Ministry of Productive Development and Plural Economy on October 23. At that meeting ECONOFF advised the Government of Bolivia of their 2010 TRQ allocation. The Director General responded that Bolivia intended to fill its entire sugar quota for Fiscal Year 2010, and that should an additional allocation be available, Bolivia could supply additional sugar to the United States. Through subsequent written communication and a meeting held November 3, the ministry communicated the allocation of the quota to specific producers and Certificates for Quota Eligibility 2010-BO-99 through 2010-BO-103 were issued.
